

Pets and People® Visiting Society

Dear Applicant

Thank you for your interest in Pets and People Visiting Society.

Please find enclosed/attached a cover letter, and two information forms. The cover letter is for your information, keep for future reference.

1. Registration form – one to be filled out by each person who will be visiting, with the pet.
2. Veterinary Inspection and Medical Record – this must be filled out by your veterinarian. A fecal sample must be done for this first Veterinary Inspection Form. Each year there after, please check with your own veterinarian.

Please send both completed forms to the address given in the email, or to the address given below, and to the attention of Marjorie Rutherford.

Marjorie Rutherford will contact you for a screening date as soon as we have received the necessary number of applications, and a veterinarian has given us a day and time for a screening. Please bring photos to your screening. One of you and one of your pet, the photos can be together. Photos for your ID can be mailed or emailed to the person doing the ID, which everyone is required to wear when visiting facilities.

The annual membership fee is \$10.00 payable after completion of the screening. Members in good standing, must have a paid up to date membership. This gives you the Pets and People® Visiting Society, insurance coverage, in facilities, on the facility grounds, and at sanctioned Pets and People events. With insurance, pass the screening and workshop, an ID can be done, the Orientation can proceed, for you to go into a medical facility.

Medical Facilities, patients/residents, have low or no immunity, our Society takes all prevention measures, therefore do not screen pets on raw meat diets, raw bones, beef, fish or poultry, as they will not be allowed to visit any facilities. See <http://www.healthlinkbc.ca/healthfiles/hfile61A.stm> for further information.

Sincerely,

Marjorie L. Rutherford---founder & screening/workshop director
